

Ecoglo Series® Standard Photoluminescent Exit Sign

75 Foot Rated Visibility

The Ecoglo® EX Standard Series Photoluminescent Exit Signs are the favoured solution to ensuring that your facility is equipped with the safest backup technology in an emergency. With no electricity or battery required, our code compliant photoluminescent exit signs will illuminate your path after being charged by natural or artificial light. If requested, the EX Standard Series signs come with a clear anodized aluminum frame and a universal mounting kit that guarantee the most efficient installation procedure for any location. Ecoglo Photoluminescent EX standard series signs are rugged, require no electricity, reduce maintenance costs and as a result, provide the lowest life cycle costs available for an exit sign.
